# HOW I MADE MY HAIR GROW

Woman With Marvelously Benutiful Hair Gives Simple Home Prescription Which She Used With Most Remark-

which She Used With Most Remarkable Results.

I was greatly troubled with dandruff and falling hair. I tried many advertised hair preparations and various prescriptions, but they all signally failed; many of them made my hair greasy so it was impossible to combit or do it up properly. I think that many of the things I tried were positively injurious and from my own experience I cannot too strongly caution you against using preparations containing wood alcohol and other poisonous substances. I believe they injure the roots of the hair. After my long list of failures, I finally found a simple prescription which I can unhesitatingly state is beyond doubt the most wonderful tiding for the hair I have ever seen. Many of my friends have also used it, and obtained wonderful effects therefrom. It not only is a powerful stimulant to the growth of the hair and for restoring gray hair to its natural color, but it is equally good for removing dandruff, giving the hair life and brilliancy, etc., and for the purpose of keeping the scalp in first-class condition. It also makes the hair easier to comb and arrange in nice form. I have a friend who used it two months and during that time it has not only stopped the failing of his hair and wonderfully increased its growth, but it practically restored all of his hair to its natural color. You can obtain the ingredients for making this wonderful preparation from almost any druggist. The prescription is as follows:

Bay Rum, 6 oz.; Menthol Crystals, 16 drachm; Lavona de Composee, 2 oz. If you like it perfumed, add I drachm of your favorite perfume, This, however is not necessary. Apply night and morning; rub thoroughly into the scalp.

THE ARMY OF THE DEAD.

I dreamed that overhead
I saw in twilight gray
The Army of the Dead
Marching upon its way.
So still and passionless
With faces so serene.

That scarcely could one guesa Such men in war had been. No mark or hurt they bore.
Nor smoke nor bloody stains
Nor suffered any more
Famine, fatigue or pain;
Nor any lust of hate
Now lingered in their eyes—
Who have fuillied their fate,
Have lost all enmittes.

A new and greater pride
So quenched the pride of race
That foes marched side by side
Who once fought face to face.
That gnostly army's plan
Knows but one race, one rod—
All nations there are man
And the one King is God!

No longer on their ears
The bugle's summons falle;
Beyond the tangled spheres
The Archangel's trumpet calls;
And by that trumpet led
Par up the exalted sky
The Army of the Dead
Goes by, and still goes by,
Look upward, standing mute;
